Kiwaniis International (<http://www.kiwanisone.org>) is a global organization having members of every age who are dedicated to changing the world, one child and one community at a time.

Kiwaniis Club of Taman Sentosa was established in year 2000 with the purpose of improving quality of life for people with special needs in Johor Bahru. The club adopted Kiwanis CareHeart Centre, one of the largest training centres in Johor dedicated to provide vocational skills training for young adults with special learning needs.

Since moving into the purpose-built three storey premises located at the Educational Hub in Taman Sutera Utama, Kiwanis CareHeart Centre has firmly established various vocations and training facilities for more than 60 numbers of intellectually disabled young adults. Besides the usual handicraft making, Centre has developed a Mushroom Cultivating Room, an Organic Vegetable Farm and a Fish Cultivating Pond. A store was set up in Sutera Mall 3 days per week. Sale of our produce generated some small income for the Centre.

A "24 Festive Drums" group and a Chinese Orchestra have been formed by our Trainees. These cultural activities allowed them to demonstrate their musical talents that many of them possess. An Art Exhibition Gallery displaying art creations by People with Special Needs world-wide has so far collected over 100 art pieces from 15 countries.

To help finance the operations of this Centre, we will be organizing a **Family Day, Food and Fun Fair on 14 November 2015** at our own premises. We would like to appeal for your support in sponsorship of prizes and kind donations for this event. Your generosity will greatly help us in funding our daily operations, including maintenance of facilities and teaching staff.

We would like to appeal for your partnership in this journey to build a more meaningful life for young adults with special needs and learning challenges. Our Club President Ms. Kuek Ser Hong (Jessline) will be more than happy to discuss with you on possible ways in which we can enlist your support. Please feel free to contact our Charter President & Chairman of Kiwanis CareHeart Centre Dr Lim Kock Hwa at 07-3311978 or Jessline at 016-7215 777,

Thank you in advance for your support and assistance

Yours truly,
